TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Lyndeborough
in the County of Hillsborough in said state,
qualified to vote in Town Affairs:

Polls open from 1:30 p. m. to 6:00 p. m.

Articles voted upon at 7:30 p. m.

You are hereby notified to meet at Citizen's Hall in
said Lyndeborough on Tuesday, the 14th day of March,
next at one o'clock in the afternoon, to act upon the
following subjects:

1. To choose all necessary Town Officers for the
year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. Namely: Town Officers' salaries, Town officers' expenses, Election and Registration expenses, Expenses of Town Hall and other buildings, Police department, Fire department, Health department, Vital statistics, Insurance, Town Maintenance of highways and bridges, Street lighting, General expenses of the Highway department, Highway equipment, Town Road Aid, Libraries, Town Welfare, Old Age Assistance, Memorial Day, Parks and Playgrounds, Cemeteries, Interest on Temporary and long term loans, payments on notes in anticipation of taxes, Long term notes and County taxes.

3. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow sums of money in anticipation of taxes.

4. To hear reports of all committees and take any action relative thereto.

5. To see if the Town will vote to give the Selectmen authority to administer tax property acquired for non-payment of taxes; to continue until rescinded.

6. To see if the Town will vote to raise and appropriate the sum of \$125.00 for re-check on pine blister rust.

7. To see if the Town will vote to raise and appropriate the sum of \$159.96 for the Monadnock Region Association.

8. To see if the Town will establish a Town Conservation Commission as set forth in R. S. A. 36-A.

9. To see if the voters will vote to completely and permanently discontinue the portion of highway passing from Lyndeborough Center Road by the late Wilcox Farm, now owned by Dorothy and Eugene Wood, to the Pinnacle Mt. Road, so that land over which the highway is laid out will revert to the abutting land owners.

10. To see if the Town will vote to give a quit claim deed to Dorothy and Eugene Wood conveying any interest which the Town may have in that portion of road from Lyndeborough Center Road to Pinnacle Mt. Road which abuts their property.

11. To see if the voters will vote to close, (subject to gates and bars) that portion of the Purgatory Road from the lower entrance of the Vergato property, to the Mont Vernon town line.

12. To see if the Town will vote to purchase a tractor and equipment for the Highway Department at a cost not to exceed \$8,000.00 to be paid for by serial notes and bonds in accordance with the terms of New Hampshire revised statutes or any amendment thereto; Said serial notes and bonds to be obtained at such rates of interest and terms of payment thereof as may be in the best interest of the Town, or take any action relating thereto.

13. To see if the Town will vote to raise and appropriate a sum not to exceed \$20,000.00 to make renovations and repairs and install water, toilet facilities and heating in either the Lyndeborough Town Hall or the South Lyndeborough Citizen's Hall, as the meeting shall decide, and to authorize the issuance of serial notes or bonds to obtain the funds needed, therefore, under the provisions of the Municipal Finance Act, and to establish a committee of seven members to oversee the work; said committee to consist of three members appointed by the Selectmen, three members appointed by the Moderator, and one member by the School Board.

14. To see if the Town will vote to accept the budget as prepared by the Budget Committee or make any alterations thereto.

15. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 27th day of February, in the year of our Lord nineteen hundred and sixty-seven.

THEODORE D. ROCCA,
A. A. BYAM,
E. GEORGE WARREN,
Selectmen of Lyndeborough

A true copy of Warrant—Attest:

THEODORE D. ROCCA,
A. A. BYAM,
E. GEORGE WARREN,
Selectmen of Lyndeborough

ROAD AGENT'S REPORT

Another eventful year has gone by. This year our T.R.A. Funds were spent on Wilcox's Road; three-tenths of a mile was completed, and surfaced. Next year we will continue on towards Dykman's.

Our tarring completed four miles. These roads were Jim Putnam's Hill, Curtis Corner to Wilton line, Baldwin's Hill, and from the state line in Perham Corner to Wilton line near Phelps' home, also from Nye's to Reynolds lane.

Our gas tax money was spent on the Cram Road and Gallants', widening and graveling, also new culverts. Murdough's Road in North Lyndeborough was widened and graveled. This has helped us in plowing these roads and also keeps the people out of the mud.

Again we thank everyone for their cooperation.

Respectfully,

CLAYTON S. BROWN,
Road Agent

Leo Trudeau, labor	12 50
Arnold Emerson, Jr., labor	88 50
Fence fund	64 78
	<hr/>
Total Expended	\$ 732 00

A fence fund has been founded to meet a major expense in repairing the fences and gates at the South Yard, Johnson Corner, Dolliver Yard, North Yard and Center Cemeteries. The gates and fences which must be maintained under state law, have reached a point of disrepair which will require major expenditures to repair. The surplus money received from the sale of cemetery lots has been placed in the fence fund in anticipation of major repairs to be done over a period of several years.

ROBERT T. JOHNSON, Trustee

AUDITORS' REPORT

The books of the following town officers have been audited: Tax Collector, Treasurer, Town Clerk, Selectmen, Road Agent, Trustee of Cemeteries, Trustee of Trust Funds and Trustee of the Library.

The receipts and payments of these accounts for the year ending December 31, 1966 were found to be correct and in order, to the best of our knowledge.

Respectfully submitted,

MARION B. SIGGENS,
ALICE M. DICKINSON,
Auditors

The extra cost of electricity for the furnace is being paid for by the Lyndeboro Improvement Society.

LIBRARIAN'S REPORT

To The Lyndeborough Citizens:

Our library has taken on a bright new look. At long last a new location has been chosen for the papers and magazines and the table completely cleared. Often now we find the young folks sitting at the table with their reference work.

The Lyndeborough School has made weekly trips for books and the high school students are showing better attendance.

The books have been gone over with our State Supervisor, Mrs. Sanborn. Material that was out-dated has been taken out and is being replaced. We now feel the students have a better chance to find their assignments.

The Trustees and I have worked all this year trying to set up the library on the Dewey Decimal System to comply with the other libraries. The whole state is working on this system. Mrs. Sanborn has spent many days with us, teaching as well as helping get the books in order.

We are still working on the cataloguing. So many books are recorded that, in years past have been discarded, and we also find we have a great many books on our shelves that are not catalogued at all. This is a long slow process but by degrees we are gaining.

One afternoon during the summer movies were enjoyed. Mrs. Sanborn came with a special reel for the children. "The Maple Sugar Industry" was shown for us all. Cookies and punch were served.

The bookmobile has made its faithful visits with its supervisor Mrs. Hutton. She is a great help in getting us books we need to borrow.

The trustees and I have attended district meetings in Mont Vernon, New Boston and Milford. Not only do we listen to book reviews at these meetings, we are

also instructed in methods to better serve our own libraries.

We hope this coming year to increase our hours and plans are being made to be open another afternoon and perhaps an evening.

The circulation this year was as follows: Fiction 1, 193, Non-fiction 496, Juvenile 1,411 and Bookmobile 919.

Respectfully submitted,

SABRA C. HAMEL

Librarian

FIRE CHIEF'S REPORT

The Fire Department had the busiest year on record, a total of seventeen calls were answered. Four chimney fires, three mutual aid calls to Wilton, one mutual aid call to Greenville, eight woods and grass fires, one pail of tar on a cook-stove.

The Fire Dept. purchased 200 feet of 2½ inch hose, 3 pairs of rubber boots, insignia plates for members cars, a new 2 tone receiver for the fire alarm system. This will eliminate the many false alarms we have been having. This is the reason we have overspent our budget.

The Chief wishes to thank the townspeople and the members of the Fire Dept. for their cooperation and assistance during the past year.

Respectfully submitted,

EDWARD H. SCHMIDT JR.
Chief

FOREST FIRE WARDEN'S REPORT

Eight grass and woods fires kept the Warden and the Department busy this past year. Two lightning fires, one from cigarettes, one by children, one by machinery, three by sportsmen.

The cooperation of the townspeople in obtaining permits and proper burning procedures helped keep the fire incidents to a minimum.

The new tanker on request from the State Forestry Dept. will be available for the use of the Fire Dept. in 1967. This is a GMC 1953 1200 gallons tank truck. Good tires and mechanical condition.

139 Permits issued	\$27.80
3 Checkbooks purchased	6.00
8 Fire Expenses	278.39
1 Training Meeting	18.94

	331.13

Respectfully submitted,
EDWARD H. SCHMIDT JR.,
Warden

Report of the Forest Fire Warden and District Chief

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966).

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town

organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.

2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 a.m. and 5:00 p.m. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.

3. Don't leave a live camp or cooking fire.

4. Most important — instruct your children that matches are not play things.

TRULY — ONLY YOU CAN PREVENT
FOREST FIRES

WINTHROP H. HANNAFORD,
District Fire Chief
EDWARD H. SCHMIDT, JR.,
Forest Fire Warden

REPORT OF THE BUDGET COMMITTEE

Budget Committee meetings were held weekly commencing January 16, 1967. All Department Heads were heard with cost of operation during the year 1966 being the basis for requested appropriations for 1967. The Town Budget approved by the Budget Committee is \$5,000. less for 1967. This decrease is obvious though as the truck purchased last year for \$6,000. is not an item in this years budget. This would indicate that expenses are relatively stable reflecting primarily a slight increase in overall wages and prices.

As a committee we were impressed with the thoroughness of the School Budget as presented by the School Board. We feel that there are only items of expense necessary to maintain the present standards of education in Lyndeborough.

There are two items in the Budget which because of the total dollar expenditures involved, we feel the town should hear, deliberate, and decided on its own. This is the reason the Budget Committee has not taken a position on either the proposed Town Hall repairs, or on the tractor purchase.

The Budget Committee made note that payments made by the Selectmen exceeded the Budget approved at Town Meeting last year. We trust that this situation will not continue.

Respectfully submitted,

Budget Committee

ROBERT BISHOP

Chairman

February 25th 1967

REPORT OF THE SELECTMEN

In keeping with the pressure of ever-increasing taxes and fulfilling the law to assess property at full value, the Selectmen re-assessed the town during the annual April assessment period. Needless to say, it took considerably more time than April afforded and consumed a good part of the summer as well. This was done with no additional cost to the town, but with considerable effort and time at the expense of the Selectmen, working to insure more equitable taxation for all concerned.

Having voted to purchase a town truck and keeping in mind rising costs, we also purchased a 1500-gal. gas tank and recording pump, which have been installed at the tractor house. This was done to take advantage of buying gas for highway and other town equipment at State of New Hampshire prices, thus saving the town considerable money over the ensuing years. We feel that this installation will pay for itself within three years and is justified accordingly.

It is important to note that with the support and cooperation of the Town Departments and Citizens we can look forward to the year ahead with confidence.

WARRANT FOR ANNUAL SCHOOL MEETING

The State of New Hampshire

To the Inhabitants of the School district in the town of
Lyndeborough qualified to vote in district affairs:

You are hereby notified to meet at the Lyndeborough School in said district on the eighth day of March 1967, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.

9. To see if the District will vote to form an AREA School District Planning Committee under the requirements of RSA 195-A:3, and to elect the members thereof, or to determine that they shall be appointed by the Moderator, or take any action relating thereto.

10. To see if the District will vote to raise and appropriate \$1375. to provide for the education of one trainable child at a Trainable Class being formed in Milford, or take any action relating thereto.

11. To see if the School District will approve an expenditure for tuition, for the minority of Lyndeborough junior-senior high school students who attend such schools, which will not exceed 10% more than the total tuition charged by the junior-senior high school where the majority of Lyndeborough junior-senior high school students attend or take any action relating thereto.

Given under our hands at said Lyndeborough this seventeenth day of February 1967.

I certify that the above information is true and correct; that the cash balance has been determined by actual count and/or verification of the checkbook balance; and that invoices and other pertinent records as required are on file to substantiate the School Lunch Program transactions.

Respectfully submitted,
MURIEL L. FULLER,
School Lunch Manager-Cook

June 22, 1966

SUPERINTENDENT'S REPORT

To the School Board and citizens of Lyndeborough, I respectfully submit my ninth annual report as your Superintendent of Schools.

Staff and Instruction

Very fortunately, there were no changes in staff at the Lyndeborough School this year. Because of this fact, the school has been efficiently and effectively operating with good progress being made in all academic areas.

Mrs. Pauline Brown has continued her work as Assistant Teacher through funds made available under Title I of the Elementary-Secondary Education Act of 1965. Test results have shown that this program really makes a difference in the ability of youngsters to read effectively and more importantly, seems to change their entire attitude towards school and reading for the better. It is hoped that as children are brought up to a proper grade level in their reading ability, Mrs. Brown will be able to spend more of her time working in the other very fundamental area of Arithmetic.

The Noon Lunch Program has been experiencing some difficulty in keeping out of the "red." Some of the costs for the operation of the Lunch Program have increased, but are only reasonable for services that are being rendered. In spite of the fact that excellent meals are being served, participation by students has been low and the Program has been operating on a "touch and go" basis almost since its opening. In order for the program to continue it has been necessary to utilize school district funds and, at the present time, if it doesn't prove that there is sufficient interest to permit the program to operate without a deficiency, the program will be terminated just as soon as it reasonably can. Much credit should be given to Mrs. Fuller for working hard to

make the program successful, to provide good meals and still stay in the "black" while constantly trying to determine why enrollment has not been up to levels attained in the past. It certainly would be too bad to have the Noon Lunch Program discontinued through lack of participation and interest when it has been a part of the school for so many years. Certainly the citizens of the community should carefully consider some means of supporting the program, if they sincerely feel that this service should be provided for children of the town.

Even though there were no changes at all in staff in the Lyndeborough School, the problem of finding teachers this year was more of a concern than in any year in the past, and in the future it seems that this problem will become even more critical. This is not a situation which is peculiar to the state of New Hampshire, but is a nation-wide problem.

There are several reasons for the unusual teacher shortage:

First, increased elementary and secondary enrollments; second, new educational programs stimulated by Federal financial assistance and local interest that have drawn off a number of teachers; third, migration of teachers to higher salaried positions in industry and also to other nearby states; and fourth, the inability of our state educational training institutions to accept all those who are interested in going into teaching, because of the lack of sufficient facilities. These situations are not going to be immediately resolved.

Lyndeborough was quite fortunate in having a full complement of teachers, as were all other towns of the supervisory union, since a report issued by the State Department of Education indicated that as of August 30, 1966, just prior to the opening of school, there were still 158 classrooms that had no teachers. 96 of these

vacancies were in the elementary school, 44 in the secondary school, and 18 in special classes.

The simplest way to solve this problem is to use every means available to the local district to encourage the present staff to stay in their positions and continue as teachers in the Lyndeborough school. One of the best ways of doing this, is to try and insure that there will not be migration of teachers into other communities, by providing salaries which meet the competition in the area. Within the budget presented to the district this year, fair salary increases are being requested to meet this need.

Building and Grounds

The building and grounds are not up to satisfactory standards. The roof on the oldest part of the structure still leaks in spite of half-measures that have been taken regularly almost since the building was constructed. Since the material most recently put on the roof was guaranteed, the material was replaced at no cost to the district, and it is hoped that with the coming of warmer weather, the roofing material will be again applied and finally solve the roofing problem once and for all. If this does not solve the problem, the School Board will request an emergency appropriation in the summer of something in the vicinity of \$900 to have a reputable roofing company apply a new roof to this oldest classroom section.

The playground area continues to be a disturbing problem. It is gravelly and stony, making it hazardous for children to play and at times of the year it causes such a tracking in of grit and sand that the building cannot possibly be cared for in the fashion in which it should. The town, or school district, or both, would be wise to spend money to put this area in proper shape since in the long run it would be an economical expenditure of funds.

Since enrollment has been holding fairly steady for the past few years in the 100-pupil to 110-pupil level, it can be reasonably expected that in the near future, enrollment will jump to a higher level as has happened in the past. With this thought in mind it is not too early for study to be initiated to plan for the future development of the Lyndeborough School by the addition of classrooms and perhaps an all-purpose room that can also serve as a community center. With this thought in mind, the School Board has accepted the fact that they should appoint a Study Committee to work on plans for expansion on their own, or study with other town representatives for the future development of the Lyndeborough School. A very small amount of money has been provided in the budget under Item #190 to meet minimal costs of this study group.

Within the budget being presented, funds are provided for painting the trim on the exterior of the building and painting of boys' and girls' lavatories and perhaps also, if funds hold out, the nurse's office and teachers' room. Funds are also provided to repair the fire box in the old furnace and also to replace the water pump which has been "limping along" for several years.

Finance

There are several areas of increase in the budget recommended by the Board for approval. In the area of Teachers' Salaries, an increase of \$1600 is a MUST if competitive salaries can be offered to the staff. In the area of Instructional Materials an overall increase of about \$200 is requested to budget more adequately in this area and take care of increased costs of materials being used in the classrooms. A \$450 increase is being asked for in Transportation since the contracts for these services run out at the end of this year and these are estimates for new contracts. In the #610 Item, an increase of \$350 is requested to budget more appropri-

ately for custodial services. In Item #735, the increase of \$315 relates to the painting and other repairs discussed previously. In the #900 Series a reduction of \$300 in "district" money is recommended by the Board, to be provided for the Noon Lunch Program. The School Board feels that the Lunch Program should more or less sustain itself or not be continued as a service for children in Lyndeborough. The major increase in the budget takes place in #1477.1 Tuitions, where increased tuition costs at the junior and senior high school level result in a total increase of approximately \$3500. In the #1477.3, an increase of \$400, is requested to provide for increases in Superintendent's salary and additional expenditures for the operation of the Supervisory Union Office.

On the income side of the ledger, at this time, about \$6500 less is expected to be received in 67-68 as compared with 66-67. Most of this decrease is in the area of Foundation Aid where changes in equalized valuation and a question as to the amount of money the Legislature will raise for this purpose, makes it almost impossible to accurately estimate funds to be received. In fairness to the community, only \$10,000 of Foundation Aid is being estimated as compared with some \$16,000 that was received during the present year. This decrease in estimated income of about \$6500, and an increase in total appropriation of about \$6000, results in a total Net Assessment to meet the School Board's Budget of \$86,100.91, about \$12,500 more than was necessary to meet the needs of the school during the present year.

These increases result in a total appropriation of \$105,325.91, compared to \$99,293.43 for the present year.

Special Article

A Special Article appears in the Warrant to give the

District an opportunity to act on the formation of an AREA Study Committee. This type of Study Committee allows opportunity for a local committee to investigate an AREA or Co-op Plan with surrounding towns. This kind of study should be going on in Lyndeborough until the junior-senior high school problem for Lyndeborough is ultimately solved.

Conclusion

I want to compliment the teachers in the Lyndeborough School for the very excellent job that they have been doing this year in meeting the needs of their children. Their efforts have been complemented by efforts of Mrs. Fuller and Mr. Lord to provide a school program and atmosphere which insures good education for Lyndeborough children.

The School Board has worked conscientiously to solve problems as they have developed and have been understanding of the problems associated with the operation of a school. With their support and encouragement, as well as that received from members of the community, satisfactory educational progress has been made and children are being properly prepared to take their place in schools that they will enter in the future.

Respectfully submitted,

KENNETH A. SARGENT
Superintendent of Schools
